

OPEN HOUSE

May 20, 2026 | 4:00 – 6:00 p.m.

Dimond Center Hotel Conference Room
700 E Dimond Blvd, Anchorage, AK

Over the past six months, the project team has been working with an Advisory Committee representing community, agency, and corridor interests to take a fresh look and identify area needs.

- Pedestrian and cyclist safety concerns
- Insufficient non-motorized connectivity
- Misalignment between Brayton Drive operations and its desired use
- Operational non-motorized and motorized user accommodation gaps at interchanges

Tell us what you think about these needs and if you think anything is missing.

The next step will be to identify solutions to address these needs within the available funding to improve conditions for all users.
