

Revised Project Purpose & Need

Purpose

The purpose of the proposed action is to enhance safety and mobility for all users within the Seward Highway O'Malley Boulevard to Dimond Boulevard project area by improving non-motorized travel conditions, addressing documented collision patterns, and ensuring roadway operations align with intended corridor functions.

Need

Need 1: Pedestrian and Bicycle Safety Concerns

Need 2: Insufficient Non-Motorized Connectivity

Need 3: Misalignment Between Brayton Drive Operations and Its Desired Use

Need 4: Operational, Non-Motorized, and Motorized User-Accommodation Gaps at Interchanges
