

SEWARD HIGHWAY

O'Malley Road to Dimond Boulevard

Fact Sheet

State Project No. CFHWY00012

Federal Project No. 0537(008)

Project Description

This is the third in a series of projects to improve safety, capacity, access, and connectivity on the Seward Highway between Rabbit Creek Road and 36th Avenue. Construction of the segment from Tudor Road to Dowling Road was completed in 2013 and construction on the Dowling Road to Dimond Boulevard segment was completed in 2019.

This project from Dimond Boulevard to O'Malley Road will improve safety, access, and connectivity for pedestrians, cyclists, and vehicles.

Fall 2025 Update

Construction on this project has been delayed until after 2027.

This additional time will be used to reconnect with the community, take a fresh look at the project, and identify projects that meet the community's needs within the available funding.
